For the first time in history, an American basketball court is headed to Sierra Leone! Non-profit organization "Shine On Sierra Leone" joined forces with Los Angeles Clippers point guard Cuttino Mobley to raise funds to build a basketball court and recreation center in one of the poverty-stricken diamond mining villages.

VIBE was the exclusive media partner at this fund-raising event held at Mobley's private residence in Santa Monica, Calif. Guests enjoyed an afternoon of gaming and socializing at the Casino Royale themed event, while also raising money for a worthy cause. Now that's a good time with a purpose in mind.
